PLATE-TO-OWNER INFORMATION: New Mexico uses a Plate-to-Owner procedure for transferring ownership of vehicles. Under this procedure plates are assigned to you the owner (seller) rather than the vehicle. When disposing of a vehicle the license plate must be removed by the seller before delivery is made to the purchaser or new owner. The seller then has 30 days in which to register the removed plate with another vehicle of the same class or return it to a local MVD field office for cancellation.

INSTRUCTIONS

1. A Bill of Sale must be completed (by the seller with the buyer signing that he/she accepts the seller's vehicle odometer mileage reading, if applicable) **only** when a Certificate of Title is unavailable or all the assignments and re-assignments on the Certificate of Title have been filled out.
2. Seller must then remove the vehicle's New Mexico license plate (if applicable) under Plate-to-Owner procedures described on the front of this Bill of Sale. If the vehicle has an out-of-state license plate, it is recommended that the seller remove the license plate(s) and either take them to a New Mexico MVD office for disposal or return them to the state of issuance for cancellation.
3. Buyer must take the completed Bill of Sale, the Certificate of Title and/or other ownership documents to a local Motor Vehicle Division field office to have the vehicle or vessel titled and registered in his/her name(s). If the Certificate of Title is from another state or if the vehicle or vessel has never been titled in any state, the vehicle itself must be taken to the MVD field office for visual inspection.
4. Buyer must title and register the vehicle or vessel before it can be sold again.
5. The buyer(s) will be mailed a bill to their address of record, notifying them that it is time to renew their vehicle or vessel registration. However, the law does not require such notice as a precondition for the owner to maintain timely and proper registration. The owner has the responsibility and is on continual and permanent notice of the need to renew by the expiration date indicated on the license plate or boat validation sticker and the Certificate of Registration. Failure to renew by the deadline may result in a penalty.
6. By law you must notify the Motor Vehicle Division within ten days of any address change for all vehicles owned and your driver's license. Obtain Form 10284 Change of Address Request from your local MVD field office.

PENALTIES

- A. There is a penalty fee for not titling and registering vehicles or vessels within 30 days.
- B. There is an additional penalty if the unregistered vehicle is driven on New Mexico roads.
- C. There is an excise tax penalty if the vehicle or vessel is not titled within 90 days.

IF YOU HAVE ANY QUESTIONS REGARDING TITLING AND REGISTERING VEHICLES OR VESSELS IN NEW MEXICO, PLEASE CONTACT A LOCAL MOTOR VEHICLE DIVISION FIELD OFFICE.
